

# Society for Medieval Archaeology Student Colloquium 2021

## Call for Papers

**11th - 13th November - The University of Hull**

**We are pleased to announce that we are now accepting applications for  
The Society for Medieval Archaeology's Annual Student Colloquium!**

The world continues to alter and the medieval period similarly saw a great deal of change and innovation. With this in mind, the colloquium this year will take a blended approach to allow researchers to network and celebrate their recent findings in a friendly and supportive environment. We will be hosting the event at the University of Hull but there will also be an opportunity to get involved in an online session as well.

We are inviting papers from students and early career researchers to discuss their work in all areas of medieval studies ranging from the 5th to the 16th century A.D.

**Deadline for submissions: 1st October 2021**

Applications should be sent to [r.prescott-2018@hull.ac.uk](mailto:r.prescott-2018@hull.ac.uk)

Abstracts should be no longer than 200 words. Please include 'Student Colloquium Application' as the subject header, together with up to 5 keywords summarising your work and a brief biographical statement about your area of research. Please specify in your email if you would like to give a paper or a poster presentation, or if you would prefer to take part in an online segment. If you have any queries about the event please do get in touch.

Further information about the guest speaker and field trip will follow shortly.
